HISTORICAL GROUNDS

The St. Norbert Arts Centre (SNAC) has an active community role promoting its core values of diversity, equality and harmony. The Centre provides an opportunity to expand dialogue between the arts and other realms of social expression. SNAC's collaborations between all players is an integral community-building goal.

The St. Norbert Arts Centre arose from a devastating fire at the Trappist Monastery in 1983. The guesthouse remained intact and became a thriving centre for the arts in the aftermath. Through donations and community support, SNAC houses working artists and other tenants in the top two floors of the centre while a gallery on the main floor awaits art exhibitions, wedding celebrations and more. The administrative offices and Gallery are located on the main floor. SNAC is bordered by the LaSalle River and surrounded by a natural forest. Before you leave, make sure you check out our numerous on-site installations such as a statue of Buddha, the [Pagoda](#), [Solar Greenhouse](#) and more. SNAC has endured a short respite from the art scene but now is currently undergoing a rejuvenation of programming, events and beautification activities. Once again, St. Norbert Art Centre calls to everyone to come and experience all it has to offer.
